2018 Candidate Survey Responses

Do you support legislation that would legalize cannabis for adults 21+, and replace the current criminal market for cannabis with a safe, legal, taxed and regulated market?

Yes, I support this and would vote 'Yes' on a bill to end prohibition and create a regulated market.

Do you support allowing adults 21+ to cultivate cannabis in the privacy of their home?

I am undecided and would like more information.

The creation of a regulated cannabis market will divert millions of dollars from gangs and other criminal organizations.

Strongly Agree

Cannabis regulation helps deter access to cannabis by minors, by implementing enforcement mechanisms similar to alcohol, such as 'We Card' programs.

Strongly Agree

Research shows cannabis is objectively less dangerous than alcohol and tobacco.
