Do you support legislation that would legalize cannabis for adults 21+, and replace the current criminal market for cannabis with a safe, legal, taxed and regulated market?

**I am undecided and would like more information. \***

Do you support allowing adults 21+ to cultivate cannabis in the privacy of their home?

**No, I do not support this; however I am open to research and information. \***

The creation of a regulated cannabis market will divert millions of dollars from gangs and other criminal organizations.

**Neither Agree Nor Disagree \***

Cannabis regulation helps deter access to cannabis by minors, by implementing enforcement mechanisms similar to alcohol, such as ‘We Card’ programs.

**Disagree \***

Research shows cannabis is objectively less dangerous than alcohol and tobacco.
