2020 Candidate Survey Responses

Do you support legislation that would legalize cannabis for adults 21+, and replace the current criminal market for cannabis with a safe, legal, taxed and regulated market?

Yes, I would be willing to sponsor a bill to end prohibition and create a regulated market.

Do you support allowing adults 21+ to cultivate cannabis in the privacy of their home?

Yes, I support this and would vote 'Yes' on a bill to allow for home cultivation.

The creation of a regulated cannabis market will divert millions of dollars from gangs and other criminal organizations.
